WEDDING CEREMONY AND/OR COCKTAIL HOUR MUSIC

Music selections for ceremonies can range from very traditional to very current personal favorites. The Jon Bates Band offers many great options for ceremony and/or cocktail hour music. Ceremony repertoire ranges from classical, secular and non secular selections, to much more contemporary choices. Many people often choose a combination of various styles, and The Jon Bates Band always customizes the playlist to exactly what the Bride and Groom want the feel of their wedding to be.

Cocktail Hour music options include a wide mix of ambient instrumental background music. The repertoire typically ranges in style from traditional "piano bar"/ popular "Americana" classics, with some classical, light jazz, and more contemporary favorites included ... The goal is to always provide a nice "background soundtrack" for the cocktail hour, as guests mingle and get acquainted ... again, The Jon Bates Band will customize the playlist to your personal preferences, and always works closely with clients to choose the music they want!
